SYN
THE
TIC

Dale Mas is inspired by the international fetish scene, we have our own image and all our products are designed and produced in Colombia.

They have a masculine and robust look, made of high-quality materials, not only because the customers demand it, but also because it is an essential part of a good fetish experience.

ALL MARKETING MATERIAL IS DEVELOPED INTERNALLY.

We want the fetish scene to grow, that's why we stimulate it by organizing events, shows, parties and participating in different public activities.

IT'S FUN TO BE KINKY

DALE+

PARTY

At Dale + we actively support,
celebrate and organize kinky
parties and events.

DALE+

The image shows two performers in elaborate black leather costumes, including masks and harnesses, in a museum setting. One performer is on the left, holding a chain, and the other is on the right, leaning over a display case. The background features ornate golden frames and religious paintings.

CULTURE

At Dale Mas we support and contribute to different cultural events. Because we believe culture, art and business are connected.

DALE+

DALE + SAS is a legally constituted Colombian company, that carries out its production and sale activities in the cities of Bogotá and Medellín.

It has an interdisciplinary team of 24 employees, who focus their efforts in developing the kinky scene by producing new designs and to develop new alliances and thus expand the operation.
